## EL PASO BREAKS EVEN WITH DEMONS IN SHUTOUT GAMES AT DOUGLAS SUNDAY

Rumsey Pitches a Double Header for El Paso and Proves a Hero.

Douglas, Ariz., July 18.—John Rumsey was the hero of the double header played here Sunday with El Paso. The rain spoiled the chances of playing the Saturday game and it was scheduled for Sunday morning at 10 o'clock. Rumsey started off against Kane and pitched a good game with poor support. He allowed but four hits, one less than the heady Harry Kane, but his support was ragged at times and Douglas managed to score a run for each half.

**Wins Afternoon Game.**  
In the afternoon Rumsey went back in against Pitts and pitched a superb game. He was always there in a pinch and although he allowed the losing 10 hits to Pitts's 9, he pitched them off when runs were needed and never allowed a Douglas player to get nearer the plate than third base. He also went in and won his own game in the sixth when he scored Gowan from second and Reinhardt from first with a two base hit to left field. Bill Harper connected for a three base hit in the afternoon game, but was unable to score, as Rumsey tightened down and retired the side.

The morning game was Kane's, although El Paso's three errors helped matters for Douglas. The umpiring of Mackey, the same old Mackey, was objected to by the El Paso players in the morning game, and they claimed that the Irish umpire gave them the worst of it. But it was the very ragged errors which cost El Paso this game, rather than the umpiring.

The box scores of the two Sunday games are:

## EL PASO RIFLEMEN HOLD SUNDAY MEET

Fort Bliss Match Postponed. Silver City Wins Mail Match.

The El Paso Rifle club held its customary weekly shoot at the range on Mundy Heights Sunday morning. The weather conditions were good, only a light wind prevailing at times. There were 15 riflemen and some spectators present.

The Hixon medal event was the first contest entered and the following scores were made out of a possible 50: Haines 33, Pringle 30, Captain Jack 25, Newton 27, Rutledge 26, Wilburn 26, Paul 25, Brewer 21, Allen 19, Watson 17, Beutell 12, Harper 11, Boardman 8.

The next contest was the Daniels & Co. prize event and the following scores were made out of a possible 100: Haines 75, Captain Jack 65, Allen 55, Paul 52, Pringle 51, Rutledge 57, Newton 57, Wilburn 57, Beutell 42, Bulwer, 42, Harper 37, Watson 29.

It was expected that a match would be shot with a team of regular soldiers from Fort Bliss, but it was postponed until July 24, as the soldiers have been ordered on their own range to complete scoring for the season. The members of the El Paso team will be selected from those present at the range on next Sunday morning.

In the last mail match with the Geronimo team of Silver City, the El Paso team lost by a margin of 59 points.

## "CY" YOUNG HAS 499 VICTORIES IN STOCK

Boston Proves Hoodoo to the Veteran in the Last Game.

(By H. H. Shelton.)

Denton T. Young, better known as "Cy" Young, the grand old man of baseball, has pitched 499 victories since he joined the big leagues in 1890, a record unequalled in the sport. It will be only a few days now until he rounds out his 500. He was knocked out by Boston when he went after his 500th victory, but you can't keep him down. He is sure to attach it and that without much delay.

With the exception of two seasons, 1905 and 1906, Young has always won more than he lost. This season he is not having good luck, but it is early yet and he will get his stride and equal his old record. He has seen longer continual service as a big league pitcher than any other man who ever lived. He has been playing ball for over 25 years.

## TEXAS LEAGUE GOSSIP.

(By Horace H. Shelton.)

The Detroit Tigers are very anxious to secure pitcher Howell, of the Shreveport Pirates. It is said that Manager Dale Gear has been offered \$4000 for the twirler. It is probable that the offer is too tempting and that Texas will lose the services of the pitcher.

Joe McDonald, of the Shreveport team, is said to be the classiest youngster in the Texas league. Salazar, the young Mexican who started the season with the Fort Worth Panthers as a third baseman, has been released by the Longview Cannibals and is with the Marshall team.

"Red" Downey, league leader in batting when he last pitched, has had an awful slump. He is now, however, working hard to regain his laurels and is doing better with the willow.

McLean, the new catcher for Waco, is now being given a trial and is working like a veteran.

Kipp, shortstop for Galveston, has recovered from his injuries and is back in the game.

Tommy J. Cannon, acting for a Kansas City firm, has purchased the franchise of the Oklahoma City baseball team in the Texas league. It is announced that the team will be immediately strengthened.

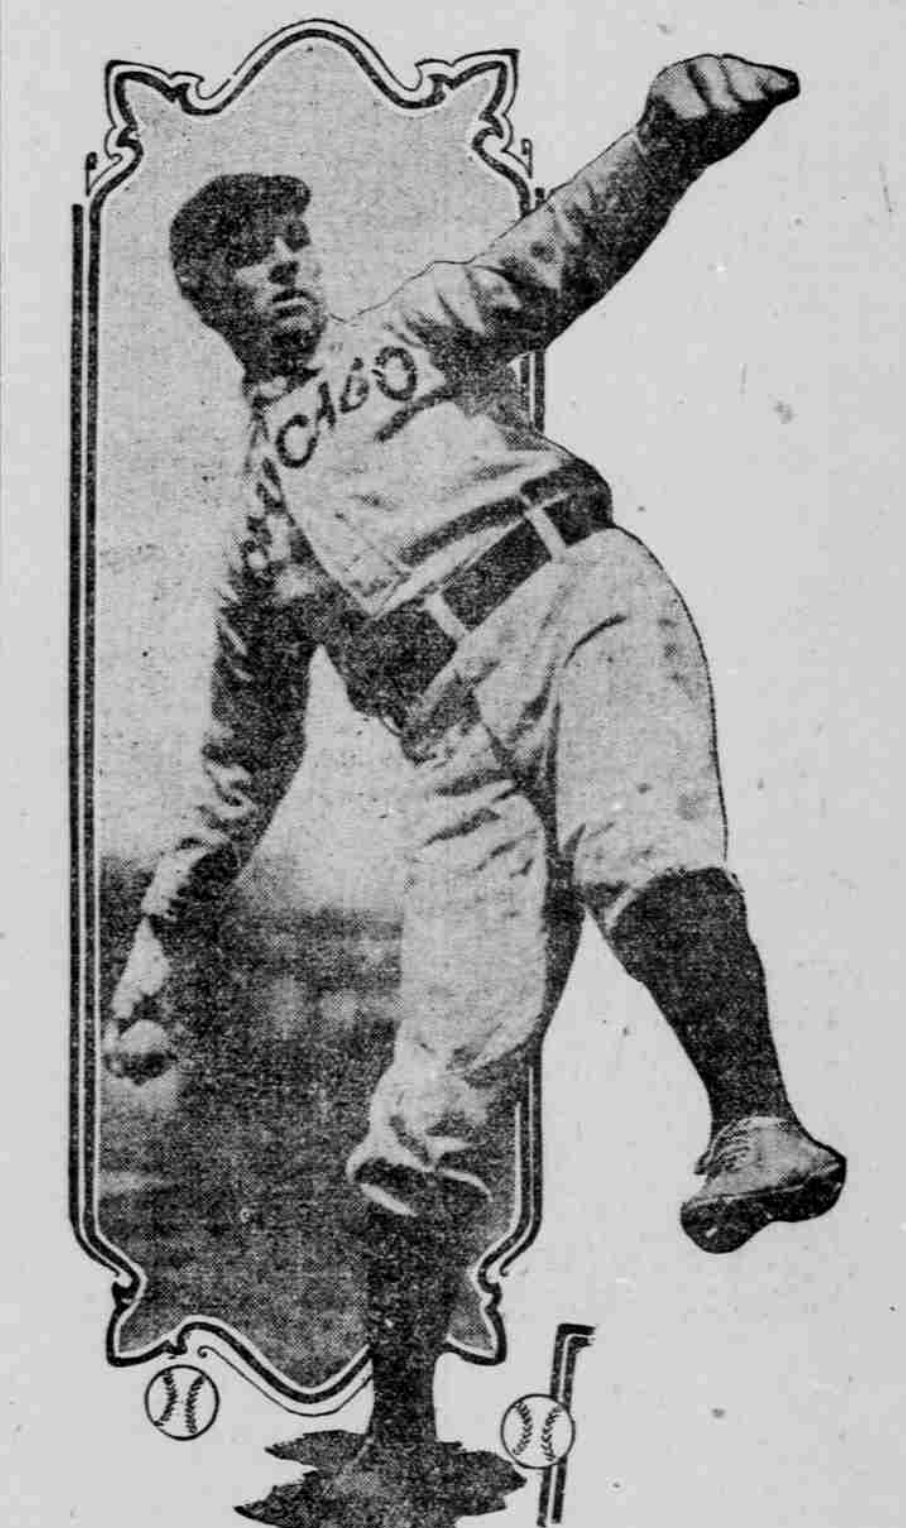

While the record of Dallas in winning 19 out of 21 games on the home grounds is marvelous, it should also be mentioned that Fort Worth won 16 at home out of the same series.

Burk, the fast twirler for Fort Worth, has pitched 23 games, won 16 and lost seven.

The scouts of the big leagues are paying a silent tribute to the Texas league pitchers and in the meantime have been playing with the batting averages of the individual players. Hendrickson, of Galveston, has been purchased by the Cincinnati Reds, and Shontz by the New York Giants.

Fletcher, a former Dallas player, is handling third base for New York, while

## CUB'S STAR TWIRLER

Mordecai Brown, one of the star twirlers of the Chicago Cubs, the winner who has but three fingers on his pitching hand has won ten games and lost six thus far this season. In the 16 games he has struck out 51 men. He is well up on the average list with a record of .625.

## Who Is Greatest Player, Larry Or Lajoie Or Wagner?

By Horace H. Shelton

Of late there has been much argument as to who is the greatest baseball player, Larry Lajoie, of the Cleveland Naps, or Hanks Wagner, of the Pittsburgh Nationals. The question is a hard one to answer. Both have been playing ball for many years and few men have ever equalled their records. Lajoie has been in the big leagues one more year than Wagner. He began his career with the Philadelphia Nationals on August 29, 1896, and went to Pittsburgh in 1899. He has played outfield, first base, third base and shortstop. He has been in the latter position for seven years.

Wagner began his big league career with Louisville in 1897, and passed to Pittsburgh in 1899. He has played outfield, first base, third base and shortstop. He has been in the latter position for seven years.

Pennell, an outfielder, has been signed by San Antonio. He was with Fort Worth in 1907. Last season Pennell played with Wichita in the Western league, hitting .292 and holding .378. He was in 122 games. Out of his hits 34 were two-baggers, nine three baggers and 12 home runs. He also stole 26 bases.

The Macon club, of the South Atlantic league, has recalled pitcher Folbre from Dred Cavender's Columbia organization. Before Folbre made the change Macon made Dupree an offer but the former Fort Worth player declined to go. Dupree has been with Enid, Okla., for some time. He was tried out by Waco this year but failed to make good.

Heine, Major League second base for Dallas, has not a superior in the Texas league.

The Shreveport Pirates have not won a game since July 4. The team is backing down the ladder at a fast clip.

Chelote is a stumbling block in the way of the Dallas Giants. Pitching for Oklahoma City he defeated Dallas on Tuesday and just to show them how easy it was, repeated the performance on Thursday.

Pat Case, of Oklahoma City, threatens to rival the mighty Casey of the well known baseball poem. He was recently at the bat four times, and only made four hits, all of which were two baggers.

Bill of quality at the Happy Hour.
